Home Loans

Buying a home can be one of the most important purchases you ever make. At Opus Bank, our goal is to provide you with the personal service you deserve to make the home buying process as smooth as possible. Work one-on-one with our experienced lender to determine the home loan product that best meets your needs.

Please contact Residential Loan Officer, Lynda Nelson, at (425) 259-8522 or at lnelson@opusbank.com for our current home loan rates and loan options.

Avoid Foreclosure

If you are having difficulty making your mortgage payments there may be options available to help you. The option that's right for your situation may depend on several factors including your loan balance, what type of loan product you have and your current payment status.

In order to review your financial situation, we will need the following information:

- [Contact a Loan officer to get a Loan Application](#)
- Current Tax Return
- W2s

Call our mortgage loan specialist at (800) 326-8787 to determine your eligibility for one or more options that may be available to you.
